

THE THIN MINT

The Thin Mint is really just a variation of the Woolly Bugger, but it has been so effective that we have included it here.

Of course this fly is based on the Woolly Booger and is an excellent early season fly. Don't be afraid to use this fly almost any time of the year, though.

So here it is, the Thin Mint:

Recipe:

Hook: - 4XL Streamer

Bead: - Gold Bead

Thread: - 3/0 Black

Tail: - Olive marabou, over which is brown marabou topped with black marabou, with a single strand of pearl flash-a-bou on each size

Rib: - Pearl Flash-a-bou and Brown hackle palmered through body

Body: - Peacock Herl
